Delta Protection Commission
Director, Margit Aramburu
P.O. Box 530
Walnut Grove, CA. 95690,

Dear Ms. Aramburu,

The Clarksburg General Plan Committee met on December 14, 1995 and discussed our position on whether or not the Delta Protection Commission ought to be continued or ought to sunset as scheduled in January of 1996. We decided to write to you and let you know that we feel the work of the Delta Protection Commission needs to be protected and that we support the continuance of the work of the Delta Protection Commission.

Sincerely,

Rosalia Fernandez-Merwin
